# Krāpnieki – naudas izspiedēji par neesošiem video

Esi saņēmis e-pastu, kurā rakstīts, ka esi nofilmēts, apmeklējot “pieaugušo” vietnes, un pieprasīta konkrēta naudas summa. Nemaksāšanas gadījumā tiek draudēts izsūtīt šo video visiem Taviem kontaktiem (draugiem, darba biedriem, ģimenes locekļiem utt.) vai publicēt sociālajos tīklos.

## Kā rīkoties?

Saņemot šādu vēstuli, nekrīti panikā un neapsver maksāšanu - domā loģiski. Patiesībā video ar Tevi nav uzņemts, bet Tavs e-pasts, parole un citi dati, kurus krāpnieki varētu izmantot iebaidīšanai, ir nonākuši viņu rokās no lietotāju datubāzēm, kas noplūdušas no tiešsaistes pakalpojumu sniedzējiem, piemēram, *LinkedIn*, *Dropbox* utt. Ignorē, bet vēl labāk, izdzēs šāda satura e-pastus, kā arī iespējamās atgādinājuma e-pastus, un nekādā gadījumā nepārskaiti naudu uz vēstulē norādīto bitmonētu maka adresi!

**Subject:** [REDACTED]: nickelhorse42 *Kā? Mana parole? Bet... Vecā?!*

Your password is **nickelhorse42**. I know a lot more things about you than that.

## How?

*Tiešām?*

I placed a malware on the porn website and guess what, you visited this web site to have fun (you know what I mean). While you were watching the video, your web browser acted as an RDP (Remote Desktop) and a keylogger, which provided me access to your display screen and webcam. Right after that, my software gathered all your contacts from your Messenger, Facebook account, and email account.

## What exactly did I do?

*Nē!!!*

I made a split-screen video. The first part recorded the video you were viewing (you've got an exceptional taste haha), and the next part recorded your webcam (Yep! it's you \ doing nasty things!).

## What should you do?

*Es neko nedarīju!*

Well, I believe, \$2000 is a fair price for our little secret. You'll make the payment via Bitcoin to the below address (if you don't know this, search "how to buy bitcoin" in Google).

*Kā? Kā?*

Bitcoin Address:

**bc1q2n67zzykn96ujl8c4cnq8qw3u89ntayh8mk7fr**

(It is cAsE sensitive, so copy and paste it)

**Important:** *← Kāpēc teksts simbolos?*

*Bet es neko nedarīju!!!*

You have 24 hours to make the payment. (I have a unique pixel within this email message, and right now I know that you have read this email). If I don't get the payment, I will send your video to all of your contacts, including relatives, coworkers, and so forth. Nonetheless, if I do get paid, I will erase the video immediately. If you want evidence, reply with "Yes!" and I will send your video recording to your five friends. This is a non-negotiable offer, so don't waste my time and yours by replying to this email.

*Kā gan tam var ticēt?*

*Nu, nē!!!*
